RICHWOOD ADMIRAL 26A

MARYWOOD NERO GRAZIE 49C

MCROBDON MERCI BEAUCOUP2A

His sire Lotto Max is a black growth bull with good maternal traits numbers in the image of Lotto with plenty of mating flexibility to cows and heifers alike. His dam is a solid black, moderate framed cow with a beautiful made udder and small teat size. She is a tank, as wide as she is tall, and always raises a great calf. This black bull is very versatile with caving ease and growth. He will work in any herd.
